THE

Patent Lace. INVENTED BY E. P. BANNING M.D.

OF PITTSBURGH PENNSYLVANIA, Will be kept constantly on hand by Dr W. P. RUSSEL, of Middlehury, he having purchased of the Original Patentee the exclusive right to make and rend the same with in and for the County of Addison, Vt., and in Essex County State of New York.

The Patent Lace has now been before the public for a number of months—hundreds have been applied in different parts of the country, and with a success never before equalled by any remidial agent. Numerous well authenticated certificates of its beneficial influence in the removal of diseases of long standing, might be furnished from this imme diate vicinity-in addition to the statement of cases and cirtificates of cures furnished by Dr. Banning and others. But this is not deemed necessary, as at the present time ref-erence can be given to individuals wearing the Lace in nearly every Town in the Coun-

Phisicians have long tent the necessary a supporter differently constructed and more perfect in its adaptation to the human form mer Stuffs for children, together with a general assortment of staple Dry Goods for sale I. M. SLADE, & Co. Phisicians have long felt the necessity of than any that had been presented to the pub-lic. The invention of Dr Banning's meets by with their general approbation, as it is designed to relieve symptoms, and to remedy a class of physical maladies which can not be reached by medicines alone.

The decent or displacement of the vicera from relaxation of the abdominal muscles or other causes tends to alter and derange the function of every organ in the human system, and in many cases this deviation from the natural healthy position of parts is the sole cause of general debility in Males & Females of Dyspepsia, affections of the Stomach and Liver Palpitation of the Heart, Spinal Irritation, Hysteric Hypoconaria, Piles, Prolapsas Uteri, Suppression of Urine. The Bron-chitis of public speakers, and incipient Con-sumption—all of which will be much relieved if not entirely removed by the use of the Patent Lace, when their existence is caused by Physical derangement and a mechanical displacement of parts which can be readily ascertained by observing the form and symp- Cheese. 500 lb toms of the person affected.

This instrument has been examined by Drs. Mott, Rogers, Frances and Griscomb of New York, the Faculty of Pittsburgh, Hartford and New Haven and has obtained their favorable testimony.

Application for the Lace can be made a the house of the subscriber, two doors south of the Court House. Patients at a distance will be visited at their residence if required. A specimen of the Lace together with various kinds of the most approved Trusses now in use can at any time the Druggist store of Russel & Gridley first

> The theory of disease on which Wright's Indian Vegetable Pilis are tounded is this, viz: that there is only one primary cause, of all the disorders that afflict the human family, and that is corrupt humars; or. in will be sold as cheap for Cash as can be had this side of Troy. C. HILL. other words-impurity of Blood. principle is now so generally admitted that it may in fact be said to be sustained by an universality of opinion, the few dissenters constituting but a very feeb'e minority. It is useless, therefore, to discuss the sound ness of this theory in this place and con-

> > The one disease principle being admit ed, the mode of attack professed by al practitioners becomes the same-namely PURGATION. But muny of the so-called specifics now before the public, produce only one form of purgation; they are either Sudorific, enthurie, Directs or expecturant .--Wright's Indian Vegetable Pills combine all these properties, & are therefore calcuared to attack thee lements of disease at all points, and by a harmonious and combined operat on to expel it radically from the sysem. Their effect is almost magical, and is no less astonishing for its mildnes than its efficacy. Both sexes, and all ages may er play them, according to the directions, without fear, for while they are certain to cure all diseases that are remediable, they

sever is flict an injury upon the system The perfect safety of the medicine is an other all important quality, and one which has contributed more than anything else to

AGENTS! Never buy of Peddlers—they are its extension and popularity, never allowed to carry the genuine Fills. Send your orders to the Proprietor, Hartford, or some of strongly to the patronage of the patronage In a word, this medicine commends itself strongly to the patronage of the public and its use bids fair to become before long, almost universal. CAUTION.

> The citizens of New England are respectfully informed that in consequence of the great popularity which Wright's Indian Vegetable Pills have earned by their astorishing goodness, a gang of Counterfeiters are now industriously engaged in palming on the unsuspecting, a valueless and per-A Farm lying on New Haven haps dangerous medicine, under the name of Indian Vegetable Pills

river, containing between one bundred and twesty and one hundred and forty acres of the This is to inform the public, that the genu-ine medicine has on the boxes, "Wright's Indian Vegetable Pills ty or more acres of said farm interval, there (Indian Purgative)
